Please be aware that all our items are removed from right hand drive vehicles unless otherwise stated. If you are unsure if this item will fit your vehicle or if you have any other questions then please call our parts department who will be happy to help. Damaged goods due to your negligence will not be accepted for refund. 1.8 Once the Product has been returned refunds will be made in the original payment method. 1.9 All requests will be processed after we have inspected and verified the condition of the Products. Off Shore UK may take slightly longer so please allow up to 7 working days. 2.3 Parcels that are of heavy weight will be sent via AFS Haulage. Please allow 3 4 working days for delivery. Please allow up to 21 working days for delivery. Times will vary according to country. 3.2 Parcels over 25KG will be sent using one of our specialized network of couriers. Please allow up to 14 working days for delivery. If any part supplied by ourselves proves to be faulty during this period, it may be returned to us for an exchange. If no exchange is available within 48 hours a refund will be given. Any parts correctly supplied by us and returned to us after 7 days is subject to a 20% handling charge Engines Customers must state if ancillaries are required. If request has been made, stating complete engine wanted, this means head, block and sump, it does not mean with ancillaries as these may be sold separately, any ancillaries left on the engine e.g water pump, cam belt We always recommend the fitting of a new cam belt are given free of charge and are not covered by this guarantee. This guarantee is void if any part supplied has been tampered with in any way i.e seal broken, taken apart etc. No parts may be altered, modified or dismantled in anyway except for routine service adjustment without our permission. Our Guarantee covers parts only. It does not cover any labour charges or from any fault arising from the fitting of this part.

We will refund the price of the part in full but will not pay for any fitting charges. It is your responsibility to check that any parts supplied is correct prior to fitting. All goods should be inspected upon delivery before signing to ensure that the item has not been damaged during transit. This is to ensure that if necessary, a claim can be made against the courier company. In the event that the delivery driver does not allow time to inspect the goods sign the Delivery Note to obtain them, but sign for them damaged. However delivery is a separate contract and once completed is non refundable. Goods once signed for are to be returned at the Customers expense. In the event that a part is supplied as ordered but the customer had ordered incorrectly, we must be contacted immediately and the part returned to us within 7 days of purchase at the cost of the customer. Refunds will only be made upon the return of the goods to our premises. Gearboxes must be filled with new oil upon installation. Please ensure all goods are checked thoroughly before being signed for. Refunds are not always possible for goods that have been damaged whilst in transit. We will not be held responsible for the refund of goods damaged in transit if they have been signed for as in good condition. Parts sold that are shipped abroad outside mainland UK void their Silverlake warranty Warranty forms will be sent out with the relative parts and will need to be filled in and returned to the Ebay Department here at Silverlake within 7 days to validate your warranty. About Us About us Silverlake Automotive Recycling Silverlake was established in 1946 and to this day remains under the management of Allen Prebble, son of the founder, Norman Prebble. The company

has expanded significantly in recent years with the introduction of a Silverlake retail unit in Southampton, continuous investment at the main 10 acre site in Shedfield, Hampshire, the launch of Silverlake.co.

uk online store, selfservice autoparts facility UPickIt and a scheme to support charitable causes UDonateACar.
